**Weak Analysis** The character is selfish This is a general statement lacking evidence

**Strong Analysis** The character's act of secretly taking money from the shared fund suggests a motive driven by financial desperation The line "I couldn't bear the thought of my children going hungry" coupled with the character's threadbare clothing supports the theory that their actions are motivated by a need to provide for their family rather than pure selfishness This analysis provides concrete evidence

**Visual** A table comparing weak and strong analysis examples with direct text evidence highlighted

**Step 4 Considering Multiple Motives** Characters are rarely driven by a single motive It's often more nuanced than that Consider the interplay of different internal and external factors A character might act out of both fear and ambition for instance
